

DESIRES 2020

Sponsorship Prospectus

Design of Experimental Search
&
Information REtrieval Systems

Venice, Italy

September 15-18, 2020

<http://desires.dei.unipd.it/>

INVITATION FROM THE DESIRES 2020 GENERAL CHAIRS

On behalf of the Organizing Committee for the 2nd Biennial International Conference on Design of Experimental Search & Information REtrieval Systems, we would like to invite you to attend the conference as a sponsor.

DESIRES A systems-oriented biennial conference, complementary in its mission to the mainstream Information Access and Retrieval conferences, emphasizing the innovative technological aspects of search and retrieval systems.

It gathers researchers and practitioners from both academia and industry to discuss the latest innovative and visionary ideas in the field. Hence, with respect to other conferences in the field, DESIRES is strongly system- and industry-oriented.

Sponsoring DESIRES2020 gives your organization a unique opportunity to promote your brand to delegates with far-reaching global influence.

On behalf of the organizing committee we welcome you to Venice in 2020 and encourage you to explore the benefits of participating as a sponsor.

Omar Alonso (Microsoft),

Marc Najork (Google)

and

Gianmaria Silvello (University of Padua)

SCIENTIFIC PROGRAM

The DESIRES 2020 Committee is planning a highly interactive and stimulating program over three days including keynotes, papers, demonstrations, discussions and social events focused on research and development in the area of information retrieval.

Sponsors will benefit from intimate business networking, strategic brand positioning and front line exposure at this premier research and industry event.

Please visit the official Website for more details: <http://desires.dei.unipd.it>

DESIRES 2020 presents a Program Committee balanced between academia and industry comprising the major Universities and the major industries doing research and developing systems in IR: <http://desires.dei.unipd.it/#organization>
